BRISTOL BAY TELEPHONE COOPERATIVE, INC.
TERMS AND CONDITIONS

The undersigned ("Applicant") hereby applies for membership in Bristol Bay Telephone Cooperative, Inc., ("Cooperative"), and the Applicant and Cooperative agree as follows:

1. Applicant will pay to the Cooperative the sum of $10.00 which, if the Cooperative accepts this application, will constitute Applicant's membership fee. Upon acceptance of this application, a certificate of membership will be issued to Applicant; it being understood that membership is not transferable nor is membership fee applicable toward payment of any bill. Both husband and wife must sign applications for joint membership. Membership is offered only to entities that receive local exchange telephone service from Bristol Bay Telephone Cooperative, Inc.

2. Applicant, by paying membership fee and becoming a member, assumes no personal liability or responsibility for any debts or liabilities of the Cooperative and it is expressly understood that under the law his/her private property cannot be attached for any such debts or liabilities.

3. Applicant also agrees to deposit with the Cooperative such consumer's deposit as is required by the Rules and Regulations of the Cooperative. The Cooperative will not retain Applicant's deposit longer than two years providing that in the interim period, the Cooperative has not been forced to disconnect Applicant's service for reasons of delinquency in payment of charges, and that Applicant has not been delinquent in payment more than once in any 12 consecutive months. Any portion of said deposit not applied to the payment of bills due the Cooperative or returned to Applicant earlier, shall be refunded to Applicant within sixty (60) days of termination of service. In lieu of the deposit, Applicant may provide the Cooperative with a satisfactory Letter of Credit from the utility that previously provided them telephone service.

4. Subject to the terms and conditions of the Cooperative's tariffs, Applicant will purchase from the Cooperative telecommunications services used on his/her premises and supplied by the Cooperative, which at a minimum shall be residential or business single line service and may also include enhanced services and/or equipment rental as requested by Applicant. Applicant agrees that he/she will pay for such service (and equipment, if applicable) at the rates and charges fixed by the Board of Directors of the Cooperative in accordance with the lawful orders and directives of the Federal Communications Commission and the Regulatory Commission of Alaska. Applicant will pay a minimum monthly amount as set forth in the Cooperative's current tariff. Long Distance toll service is not included in the basic monthly residential or business line service, and will be billed separately by the Applicant's long distance carrier. Telephone equipment is not included in the basic monthly service charge, and therefore equipment charges (if applicable) will be added to the monthly amount. Bills shall be payable immediately upon receipt and past due if not paid by the 25th day of the billing month or after any payment date previously established by agreement between Applicant and the Cooperative. If the bill is not paid when past due, the Cooperative will apply a late payment charge not to exceed zero point eight seven percent (0.87%) each month on the unpaid balance. When the bill becomes past due, the Cooperative may start procedures for disconnection for non-payment. The procedure will include a written ten (10) day notice of disconnection of service, stating the date and time payment must be received in the Cooperative's business office. If the subscriber does not pay the balance of the bill owing, plus any applicable late charges, or make arrangements with the Cooperative to make payments, service will be disconnected. Delinquent amounts may be charged to Applicant's credit card. Applicable Service Connection Charges, as set forth in Rate Schedule of the current tariff, will apply to each re-connection of service on paid delinquent accounts.

5. Applicant will comply with and be bound by the provisions of the Articles of Incorporation and By-Laws of the Cooperative, and such rules and regulations as may, from time to time, be adopted by the Cooperative.

6. Applicant, if a landowner, hereby agrees to grant to the Cooperative the right and easement to construct, operate, repair and maintain on his/her premises and in or upon all streets, roads, or highways abutting said premises, its telecommunications distribution and service lines and appliances and also the right to cut or trim trees necessary to keep clear all parts of the telecommunications system.

7. The Applicant, if a landowner, agrees that all poles, wires, and other facilities, including any equipment, installed on premises at Cooperative expense, shall remain the property of the Cooperative, removable at the option of the Cooperative upon termination of service to or on said premises.

8. The acceptance of this application by the Cooperative shall constitute an agreement between Applicant and the Cooperative and the contract for telecommunications service shall continue in force month by month from the date service is made available by the Cooperative to Applicant and thereafter until canceled by at least two (2) days notice by Applicant.
