## TERMS OF AGREEMENT

### **Contract Term**

**GSM Talk and Text is a one (1) year contract. LTE Data is a semi-annual (6 months) contract.** This agreement will begin on the date of the signature of this document. If I terminate service before my contract term ends, I will be responsible for payment of the remaining term on my contract. If monthly billing is chosen, I must maintain residency in BBCP's service area. A deposit of \$100.00 must be paid at time of service or have a valid credit card on file to bill monthly. Deposit will be applied to account after two years of good payment history. Credit Card declines will revert account to past due policy.

**Charges** - You agree to pay all access, usage, and other charges that you or any other user of your wireless device incurred. If multiple wireless devices are associated with your account, you agree to pay all charges incurred by users of those wireless devices. For charges based on the amount of time used or data sent or received, we'll round up any fraction to the next full minute or, depending on how you're billed for data usage, the next full megabyte or gigabyte. For outgoing calls, usage time starts when you first press Send or the call connects to a network, and for incoming calls, it starts when the call connects to a network (which may be before it rings). Usage time may end several seconds after you press End or after the call disconnects.

A one-time activation fee of \$35.00 will apply to all new subscribers. Activation of service may take up to 2 full business days. Additional charges may include taxes, surcharges, and long distance. Cancellation or discontinuation of service for any reason will constitute the need for a new service agreement.

**All phones are local only, Local Only** includes local calling and texting to any BBCP services and or local area prefixes. Long distance calls, taxes, and surcharges will incur an additional charge. International calling not included. You will be responsible for these charges. Long distance outgoing calls: \$0.06/ minute out of state and \$0.13/ minute in-state.

**Roaming** includes local, long distance and texting at one flat monthly rate of \$60.00. Taxes and surcharges will be added as required by law. International calling is not included. You will be responsible for these charges. Roaming agreement is a year-long contract.

**LTE Service and Data Plans** will only be available in King Salmon, Naknek, and South Naknek. Data plan overages will apply at \$15.00 a Gigabyte. Plan speeds are 4 MB Down / 1 MB up. Service is device specific to Xiaomi Redmi 9A.

**Internet Access** – BBCP is not responsible for any third-party information, content, applications, or services you access, download, or use on your device. You are responsible for maintaining virus and other

internet security protections when accessing these third-party products or services.

**Illegal or Harmful use** – You may access and use our Website and Network only for lawful purposes. You are responsible for any transmission you send, receive, post, access, or store via our Network, including the content of any communication. Transmitting, distributing, or storing any material that violates any applicable law is prohibited.

**Due Date for Payment** - Your bill is payable immediately upon receipt and becomes past due twenty-five (25) days after the date on the bill. Payment must be in the business office by 4:30 p.m. on the 25th or, when the 25th falls on a weekend or holiday, by 4:30 p.m. on the last business day preceding the 25th. A monthly late charge of 0.87% of the unpaid balance shall be imposed. A disconnection for Non-Payment will apply if your account becomes past due. A written 10-day notice of disconnection of service, stating the date and time payment must be received, will be mailed to you. A \$10 late letter charge will apply for such notice. If payment is not made or a payment plan worked out, service will be disconnected. Delinquent amounts may be charged to your credit card. Once you have been disconnected, you will have to pay a reconnection charge, a deposit, and your outstanding balance before you can get telephone service again. Other charges may apply.

BBCP has my permission to obtain credit information from the credit bureau and any listed references. I hereby certify that the information I have provided is complete and correct. I accept all BBCP terms and conditions. I will be responsible for payment of this account.

**Change of Service** – we may change prices or any other term of you Service or this Agreement at any time, but we'll provide notice first. If you use your Service after the change takes effect, that means you're accepting the change.

**Service Coverage** - All service plans are "best effort," which means that the advertised speed is the upper limit of what the service can provide. Wireless devices use radio transmissions, so unfortunately you can't get Service if your device isn't in range of a transmission signal. Please be aware that even within your Coverage Area, many things can affect the availability and quality of your Service, including network capacity, your device, terrain, buildings, foliage, and weather.

**Resale:** Customer agrees that BBCP Data service is strictly for personal use. REDISTRIBUTION OR RESALE of data will result in suspension or termination of service.

Bristol Bay Cellular Partnership presently does not transmit wireless emergency alerts. Notice required by FCC Rule 47 CFR 10.240 (Commercial Mobile Alert Service).
