

BRISTOL BAY TELEPHONE COOPERATIVE, INC.

OPT-OPT FORM

I _____ would like to be Opted-out of the Usage Management *Captive Portal for the year _____.

*Note: When a customer device is Opt-out of notifications, they will no longer see the pop-up page notification regarding their current usage consumption, which may lead to an expected overage bill. This feature is only recommended when customer has insisted on having the notifications removed and they have been made aware that they are responsible for any usage charges that are incurred over their included amount at \$9.00 a gig.
