I hereby certify that the above information is complete and correct. I will be responsible for payment of this account. BBCP has my permission to obtain information from the credit bureau and any listed references. Long Distance charges are not included and will be billed monthly. I understand that my account is past due 25 days after the monthly statement is mailed by BBCP. Past due bills will be charged interest at the rate of 0.87% per month, compounded monthly, unless applicable usury laws specify a lower interest rate, in which event the maximum lawful interest rate will apply. Past due accounts may be charged to any credit card(s) on file. If I do not have a credit card(s) on file or my credit card(s) is declined, and have not made other arrangements for payment, service shall be disconnected immediately and I will be responsible for payment of past due amounts and any other charges that may apply.

**Incentive!!!**

As you know the Bristol Bay fishing season is a very fast and busy of time for everyone in Bristol Bay. Bristol Bay Cellular works hard to have everything ready for you when you get here so this year as an incentive for sending back your renewal and not waiting until the beginning of the fishing season we are offering an early bird drawing. For every renewal we receive that is post marked **May 1<sup>st</sup> or before** your name will be entered into a drawing for a **Samsung 8**. Remember your renewal has to be postmarked May 1<sup>st</sup> or before.

Congratulations Mihael Martushev! Winner of 2020 BBCP's Incentive Drawing.

If you have any questions regarding the Renewal Form or CPNI form please do not hesitate to call our office.

The Federal Communications Commission (FCC) has adopted 988 as a new three-digit number to be used nationwide to reach the National Suicide Prevention and Mental Health Crisis Lifeline, starting July 16, 2022. Customers must continue to dial 1-800-273-TALK to reach the Lifeline until July 16, 2022.

In order for 988 to work in your area code, 10-digit local dialing must first be implemented. If your area code is included in the list above, you will need to change the way you dial local calls.

## **What will be the new dialing procedure?**

To complete all local calls, you will now need to dial **area code + telephone number**. This applies to all calls within your area code that are currently dialed with seven digits.

## **Who will be affected?**

Anyone with a telephone number from your area code will need to make this change from 7-digit local dialing to 10-digit local dialing.

## **When will the change begin?**

Beginning **April 24, 2021**, you should begin dialing 10 digits (area code + telephone number) for all local calls. If you forget and dial just 7 digits, your call will still be completed.

Beginning **October 24, 2021**, you must dial 10-digits (area code + telephone number) for all local calls. On and after this date, local calls dialed with only 7-digits may not be completed, and a recording will inform you that your call cannot be completed as dialed. You must hang up and dial again using the area code and the 7-digit number.

Beginning **July 16, 2022**, dialing “988” will route your call to National Suicide Prevention and Mental Health Crisis Lifeline.

### *What will you need to do?*

In addition to changing the way you dial local calls, all services, automatic dialing equipment, or other types of equipment that are programmed to complete calls to 7-digit local numbers will need to be reprogrammed to complete calls to 10-digit numbers. Some examples are life safety systems or medical monitoring devices, PBXs, fax machines, Internet dial-up numbers, fire or burglar alarm and security systems or gates, speed dialers, mobile or other wireless phone contact lists, call forwarding settings, voicemail services and other similar functions. Be sure to check your website, personal and business stationery, advertising materials, personal and business checks, contact information, your personal or pet ID tags, and other such items to ensure the area code is included.

### *What will remain the same?*

- Your telephone number, including current area code, will not change.
- The price of a call, coverage area, or other rates and services will not change due to the dialing change.
- What is a local call now will remain a local call regardless of the number of digits dialed.
- You will continue to dial 1+ area code + telephone number for all long distance calls.
- You can still dial just three digits to reach 711 (relay services) and 911 (emergency services).
- Any 211, 311, 411, 511, 611, or 811 services available in your community can still be reached by dialing their three-digit codes.
- The National Suicide Prevention Lifeline can still be reached by dialing 1-800-273-TALK (8255).
