

March Newsletter

PC: Mark Emery

Telephone Cooperative, Inc

- Bristol Bay Telephone is still in the final environmental phase with USDA, awaiting on land permissions before moving forward with Fiber Project
- Huge "Thank you" to our community members for attending our Winterfest 2023 event. We enjoyed your company

Cellular Partnership

- BBCP is in the process of putting up some new equipment on our cellular towers, when completed BBCP will be able to provide better service and data to all serving areas
- BBCP has also engaged with AT&T in a roaming agreement, we are still in the process with this partnership but will announce when finalized. With this partnership AT&T customers will be able to roam in on BBCP towers and having working service

Announcements

- **Happy St. Patrick's Day!**
- **Monthly Board Meeting
March 7th, 2023**
- **Office closure: Seward's Day
Monday March 27, 2023**

Dial Before you Dig

If you are planning on digging or doing any construction please call us for a free locate. We require a 2 day notice to locate before you start your digging project.
