

Job Title: Network Operations Administrator
Location: King Salmon, Alaska

Company Background:

Bristol Bay Telephone Cooperative (BBTC), a telecommunications cooperative providing voice, high speed internet, and digital television and cellular service through subsidiaries, has an opening for a Network Operations Administrator at our King Salmon, Alaska office.

www.bristolbay.com

Job Description:

This position designs, installs, maintains and coordinates telecommunications and ISP networks, evaluates hardware and software products for network additions and modifications. This individual also sets up, configures, and supports internal and/or external networks and servers and develops and maintains all systems, applications, security, and network configurations. Additionally, this position provides technical support and guidance to the internal support team. The qualified candidate should have a bachelor's degree in Information Technology and 2 industry recognized certifications (A+, Network +, Security +, CCNA) plus 3-5 years of practical networking experience. Additional experience may be substituted for the degree.

Full time position. Pay Scale from \$28 – \$35 hour DOE. BBTC provides a generous 401K package and comprehensive dental and health insurance. Employment is contingent on favorable background and drug screening paid for by BBTC.

Schedule:

Ability to work a flexible schedule and meet the needs of the business, including weekends and late shifts as customer demands warrants.

Work Environment:

Maintain a professional office environment, and willing and able to travel to remote network locations.

Physical Demands:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- The employee is regularly required to communicate with customers and co-workers in a clear and straight forward manner.
- The employee is frequently required to stand and walk and will be standing or walking frequently during the day. Additionally, the employee is regularly required to use their hands and fingers to type.
- The employee must frequently carry, move, install, and or remove office equipment or materials weighting 10 – 45 pounds.
- The employee must be physically able to safely operate a variety of office equipment, company vehicles, and telecommunications equipment.
- Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to focus.
- The employee must regularly be able to remain in a stationary position for extended periods of time and operate a computer and other office equipment.

King Salmon offers a rural lifestyle that affords the opportunity to experience world class hunting, fishing, trapping and outdoor recreation activities.
